

Alix Hope Martini

+1 (607) 379-3262

ahm258@cornell.edu

French, German and American citizen

Education

Cornell University, College of Engineering, Ithaca, New York

2024 - current

Majoring in Biomedical Engineering (BME) and minoring in Computer Science (CS)

Classes: MATH2940, CHEM2090, BME2110, PHYS2213, CS2110, ENGRD2020 (statics)

GPA : 3.67

Ecole Jeannine Manuel, Paris, France

2017 - 2024

Baccalauréat Français International with Highest Honors (Mention Très Bien)

Internships

Intern at Incepto Medical, Paris (remote part-time during academic team)

2025 - current

- Programmed Microsoft Word add-in to automate radiological reporting, streamlining clinicians' workflow, leading to up to 45% time saved and 91% reduction of dictated words
- Integrate radiologist feedback into AI diagnostic solutions, including knee and prostate MRI
- Conduct market studies and represent Incepto at international radiology conferences (SIFEM, SFICV...) to identify client needs and growth opportunities

Intern at Hôpital Pitié-Salpêtrière, Paris

2023

- Observed cutting-edge neuroscientific techniques at Institut du Cerveau et de la Moelle Épinière (ICM, Institute of the Brain and Spinal Cord) with leading researchers in spinal cord studies
- Attended patient meetings and observed brain surgeries performed by Prof. Michel Kalamarides

Intern at Baker McKenzie Law Firm, Paris

2022

- Joined hearings of litigation cases at the Judicial Court of Paris
- Networked with attorneys and partners of the Firm
- Researched and analyzed past litigation cases to learn to formulate arguments

Intern at Clinique de Turin, Paris

2021

- Observed 26 surgeries ('Da Vinci Xi' robot assisted prostatectomy, laser ureteroscopy, laparoscopic cholecystectomy, gastric bypass)
- Helped prepare tissue samples and retrieved gallstones to send to biopsy

Intern at Institut Pasteur, Paris

2019 - 2020

- Designed microbiology research project and protocol in groups at Institut Pasteur with mentor and other interns

Experience

Founder and co-president, Les Cooks Solidaires, Paris

2022 - 2024

- Led startup that offers cooking workshop for children in a local refugee center, coordinated teams, timetables and resources, planned fundraisers and events increasing membership

Chairperson, Debate Club and Model United Nations, Jeannine Manuel, Paris

2017 - 2024

- Mentored 40 students, chaired weekly MUN debates, participated in in-house MUN conferences, selected for school delegation for Harvard Model Congress Europe (HMCE)

Skills

Languages: French (native), English (native), German (native), Spanish (fluent), Mandarin (competent)

Computer Skills: Python, Java, Html, LoggerPro, Microsoft Office 365, Social Media
